Celebrate over 20 years on Campus!

The University of Alberta WUSC Local Committee is a student group on campus that coordinates World University Service of Canada's Student Refugee Program (SRP). Each year a refugee student is sponsored to come to our campus as a permanent resident and to study at the University for four years. There are over 80 WUSC Local Committees on campuses across Canada, and each year they sponsor nearly 60 refugee students through the SRP. In 2008, WUSC welcomed the 1,000th refugee student to the program.

The goal of our annual gala dinner event is to raise support and awareness for the program on campus and in the community. The SRP has been endorsed by University of Alberta President, Dr. Indira Samarasekera, as an exemplary program, but relatively few students and faculty members are aware of it. Raising awareness of the SRP is crucial in ensuring the sustainability and success of the program, which not only provides an incredible opportunity for the sponsored students, but also enriches any community by fostering global citizenship.

Thank you for supporting this unique program.

Sincerely,
WUSC U of A Local Committee
